Important Update on Public Health Measures

The following are updated public health measures for ATAC's Conference and Tradeshow

- Proof of full vaccination (electronic or paper POV, or QR Passport) and Photo ID is mandatory for all conference participants. This will be verified at the ATAC Registration Desk before name tags can be handed out. **One is considered fully vaccinated two weeks after your second dose.**
- Participants must keep a 1M distance from other participants.
- Masks mandated for all participants while circulating in public spaces. Participants may remove their mask only once seated and socially distanced (1M) in their meeting room.
- Participants must assign their own seat and keep their seat for the entire duration of the day's event. Specific details will be provided to participants later.
- Boxed meals for breakfasts and lunch will be provided.
- Participants must be seated in order to eat or drink. Details regarding designated seating areas will be provided to all participants.
- Frequent hand washing and use of disinfecting gel.
- Do not attend the conference if you show any COVID-19 signs or symptoms.
- Avoid direct contact for greetings, such as handshaking, and instead use alternative practices.

Program highlight: Kathy Fox, Chair, Transportation Safety Board, to be Keynote Speaker at Safety Plenary Session on November 18.

Accommodation: Room block still available until sold out.

Registration cut-off: Planning in the context of COVID-19, meeting room capacity restrictions require a conference registration **cut-off date at end of day on Friday, November 5**. Capacity restrictions **will not allow** for on-site registrations.

Transportation Discounts: Air travel discounts are offered by Air Canada and WestJet to conference attendees. Greater details can be found on the ATAC website.
